

Subject:- Integrated Murrah Development plan Scheme - regarding Ideal Murrah Villages.

In the State level function of Inventive Money distribution to the owners of Murrah Buffalo Recorded during the year 2007-08, held on 14.9.08 at Rohtak, Hon'ble C.M. while giving away the prizes announced that any village having 50 or more recorded murrah buffaloes out of which 1/3 as yielding 15 Kg. or above milk per day will be identified as Ideal Murrah Village and an amount of Rs. 5.00 lac as grant annually will be provided to such village on registering a Murrah Breeders Society.

Consequent to announcement, the Govt. has accorded sanction of the scheme vide letter No. 5534-AH-4-2008/15048 dated 10.12.2008. The brief of the proposed scheme is as under

Introduction:

- National Breeding policy regarding Buffalo is upgradation with Murrah and there is a National demand of about 40,000 Murrah bulls during the next 4 years.
- State has been asked by GOI to produce a minimum of 12,500 Murrah bulls during the 2nd phase of NPCBB (2007-2012), Haryana being native tract of Murrah.
- Total Murrah Buffaloes Recorded during 07-08 = 9475
 - i. 11 -15 Kg. yielding Buffaloes = 5419
 - ii. Above 15 - 20Kg. -do- = 3796
 - iii. Above 20 Kg. -do- = 260
- 'In Situ' preservation may go as high as 20,000 bulls and a minimum of 1 lac recorded bull mothers.
- There are about 15 villages wherein the number of recorded Murrah buffaloes is above 50 and may be identified as "Ideal Murrah villages".
- There is a scope of formation of "Murrah Breeders Association" in these Ideal Murrah Villages as a step towards PPP-mode.
- Ideal Murrah Villages will be the source of availability of quality young murrah bulls not only to the state but also for other states.

1. Criteria for Ideal Murrah Village.

- Minimum 50 recorded Murrah Buffaloes in number out of which 1/3 shall be of above 15 Kg. peak yield.
- A Breeders' Society to be formed.
- Breeders' Society will follow breeding policy of the State for Murrah development.
