Whereas following vaccinators (now VLDAs) were awarded 1st ACP in 2003 after completion of 10 years successful service on the post of vaccinator and in the meantime they were also promoted on the post of VLDA on 14.01.2004 in the same pay scale as that of their 1st ACP. The increment on account of higher responsibility on promotion was also given to them. Now, it came to knowledge that this increment on account of promotion was wrongly given against the provisions of FD instructions. The HCS ACP Rules, 1998 speaks that if promotion is in the identical pay scale, then the benefit of such increment cannot be given.

In the meantime, after promotion on the post of VLDA, they were also given 1st ACP w.e.f. 01.02.2014, considering their 10 year length of service on the post of VLDA, vide order dated 10/17.12.2018 and in the same order, the 2nd ACP were given to them (w.e.f. 01.04.2013) considering their length of service as Vaccinator was also withdrawn.

Therefore, the earlier order dated 10/17.12.2018 is reviewed being against law and same is withdrawn in pursuance to Rule, 13 read with Rule 8 of Haryana Civil Services (Assured Carrier Progression) Rule, 2016. The said order dated 10/17.12.2018 was not in consonance with ACP Rules, 2008. The Rule 13 of 2008 says that if the promotional post in the hierarchy is inferior to the ACP Pay structure entitlement, had he not been promoted; under such a situation, the Govt. servant shall be entitled to be placed in the 1/2/3rd ACP pay structure of feeder post. The Rule 13 of ACP rules of 2016 also speaks the same but using “Presumptive Pay” word. This rule speaks that “Where a Government employee after promotion from one post to another is drawing pay in the level inferior than his presumptive pay and/or ACP Level which shall have been admissible to him in 1st/2nd/3rd ACP Level had he not been promoted, he shall be granted difference of pay of promotional post and presumptive pay of ACP pay structure and/or change of level to ACP Level as a special entitlement: Provided that such functional promotion to a post with such inferior pay structure shall not be counted as financial upgradation for the purposes of these rules”.

Further, the 2nd ACP Grade Pay Rs. 3300/- w.e.f. 01.04.2013 considering 20 year length of their service as Vaccinator (feeder post) and the 3rd Assured Carrier Progression in the ACPL-8 is hereby granted to following Vaccinator (Now VLDA) w.e.f. 01.04.2017 on completion of 24 year regular/satisfactory service as vaccinator, subject to the condition that an undertaking will be given by the employees that if at any stage it is noticed that un-earned benefits has been granted, the same will be withdrawn without any notice.

Now, it came to knowledge that this increment on account of promotion was wrongly given against the provisions of FD instructions. The HCS ACP Rules, 1998 speaks that if promotion is in the identical pay scale, then the benefit of such increment cannot not be given.

In the mean time, after promotion on the post of VLDA, they were also given 1st ACP w.e.f. 01.02.2014, considering their 10 year length of service on the post of VLDA, vide order dated 10/17.12.2018 and in the same order, the 2nd ACP given to them (w.e.f. 01.04.2013) considering their length of service as Vaccinator was also withdrawn.

Therefore, the earlier order dated 10/17.12.2018 is reviewed being against law and same is withdrawn in pursuance to Rule, 13 read with Rule 8 of Haryana Civil Services (Assured Carrier Progression) Rule, 2016. The said order dated 10/17.12.2018 was not in consonance with ACP Rules, 2008. The Rule 13 of 2008 says that if the promotional post in the hierarchy is inferior to the ACP Pay structure entitlement, had he not been promoted; under such a situation, the Govt. servant shall be entitled to be placed in the 1/2/3rd ACP pay structure of feeder post. The Rule 13 of ACP rules of 2016 also speaks the same but using “Presumptive Pay” word. This rule speaks that “Where a Government employee after promotion from one post to another is drawing pay in the level inferior than his presumptive pay and/or ACP Level which shall have been admissible to him in 1st/2nd/3rd ACP Level had he not been promoted, he shall be granted difference of pay of promotional post and presumptive pay of ACP pay structure and/or change of level to ACP Level as a special entitlement: Provided that such functional promotion to a post with such inferior pay structure shall not be counted as financial upgradation for the purposes of these rules”.

Further, the 2nd ACP Grade Pay Rs. 3300/- w.e.f. 01.04.2013 considering 20 year length of their service as Vaccinator (feeder post) and the 3rd Assured Carrier Progression in the ACPL-8 is hereby granted to following Vaccinator (Now VLDA) w.e.f. 01.04.2017 on completion of 24 year regular/satisfactory service as vaccinator, subject to the condition that an undertaking will be given by the employees that if at any stage it is noticed that un-due benefits has been granted, the same will be withdrawn without any notice.

ORDER

Whereas following vaccinators (now VLDA's) were awarded 1st ACP in 2003 after completion of 10 years successful service on the post of vaccinator and in the meantime they were also promoted on the post of VLDA on 14.01.2004 in the same pay scale as that of their 1st ACP. The increment on account of higher responsibility on promotion was also given to them. Now, it came to knowledge that this increment on account of promotion was wrongly given against the provisions of FD instructions. The HCS ACP Rules, 1998 speaks that if promotion is in the identical pay scale, then the benefit of such increment cannot not be given.

In the meantime, after promotion on the post of VLDA, they were also given 1st ACP w.e.f. 01.02.2014, considering their 10 year length of service on the post of VLDA, vide order dated 10/17.12.2018 and in the same order, the 2nd ACP given to them (w.e.f. 01.04.2013) considering their length of service as Vaccinator was also withdrawn.

Therefore, the earlier order dated 10/17.12.2018 is reviewed being against law and same is withdrawn in pursuance to Rule, 13 read with Rule 8 of Haryana Civil Services (Assured Carrier Progression) Rule, 2016. The said order dated 10/17.12.2018 was not in consonance with ACP Rules, 2008. The Rule 13 of 2008 says that if the promotional post in the hierarchy is inferior to the ACP Pay structure entitlement, had he not been promoted; under such a situation, the Govt. servant shall be entitled to be placed in the 1/2/3rd ACP pay structure of feeder post. The Rule 13 of ACP rules of 2016 also speaks the same but using "Presumptive Pay" word. This rule speaks that "Where a Government employee after promotion from one post to another is drawing pay in the level inferior than his presumptive pay and/or ACP Level which shall have been admissible to him in 1st/2nd/3rd ACP Level had he not been promoted, he shall be granted difference of pay of promotional post and presumptive pay of ACP pay structure and/or change of level to ACP Level as a special entitlement: Provided that such functional promotion to a post with such inferior pay structure shall not be counted as financial upgrading for the purposes of these rules".

Further, the 2nd ACP Grade Pay Rs. 3300/- w.e.f. 01.04.2013 considering 20 year length of their service as Vaccinator (feeder post) and the 3rd Assured Carrier Progression in the ACPL-8 is hereby granted to following Vaccinator (New VLDA) w.e.f. 01.04.2017 on completion of 24 year regular/satisfactory service as vaccinator, subject to the condition that an undertaking will be given by the employees that if at any stage it is noticed that un-due benefits has been granted, the same will be withdrawn without any notice.
