- In case of prized animals, the market price may be evaluated to a maximum of Rs. 60,000 and the same will be assessed jointly by the committee and the Semen Bank Officer of concerned Distt as representative of Managing Director, HLDB.

3. Cost of tagging will be borne by the Insurance Company.
4. Insurance cover will start from the date of tagging and issue of Health cum evaluation Certificate by the constituted committee.
5. Master Policy document, in principle, will be the agreement between the farmer & the company.
6. The work of insurance of milch animals will be carried out with mutual efforts as per policy of Govt. of India The copy of the scheme of livestock insurance (GOI) is already circulated and is also available on website of the department.
7. The Health-cum- evaluation certificate discussed and finalized will be as per copy attached.
8. Joint efforts for making of wide publicity through mass contact camps at least two in each block per annum regarding insurance will be made. The insurance companies agreed to share the expenditure by making provision of Rs. 5000/- per block similar to the provision made by the Government.
9. Claim papers in advance & in sufficient quantity will be made available to the respective Deputy Director (AH) of the District by the Insurance Co. The claim of insurance will be settled within 15 days after submission of complete claim papers. Deputy director will maintain the record of submission of complete papers regarding claim and period taken by the company to settle the claim
10. Amount in advance to the extent of two months expected insurance premium will be deposited with the insurance company for smooth implementation of the Scheme.

11. The necessary provision of continuing of insurance cover in the policy in case of change of ownership of the animal will be made by the insurance Co
12. In case of loss of tag, the owner will give information in writing or telephonically to the company under proper receipt. If after a period of 7 days of the information, the death of the animal occurs, the condition of intact tag for settling of the claim will not remain in force and company will be responsible for not lagging of the animal within the specified period
13. In order to have a check on bogus claims, it has been decided that the post mortem would be conducted after physical verification by Deputy Director (AH) in person or his representative not below the rank of SDO(AH) /SBO.
14. The committee to carry out the livestock insurance will comprise of local Vety. Surgeon, the representative of insurance company & the owner of the animal.
15. As per tender document, the company will issue a Master policy for all types of animals being insured in the District with a copy to concerned DD(AH) and Managing Director, HLDB
16. The company will intimate the official toll free contact number to the policy holders, concerned officials of the department and the information provided will bear legal effect for all intents & purposes
17. The unspent amount if any with the insurance company at the end of the financial year, the same is to be returned forthwith in the 1st week of April, 11.

The above terms & conditions agreed will be followed by the Insurance companies and will start the work with immediate effect for the year 2010- 11.
