- E:) The entire cost of the building shall be borne by the Panchayat concerned/KI/NGO/ Govt. The land building will be the property of the Animal Husbandry and Dairying Department. The panchayat land shall be gifted to the Animal Husbandry Department by way of mutation by the panchayat concerned,
- F:) That the reconstruction/repair/relocation wherever required of the building housing Veterinary institutions be carried out in the proper manner. Two separate lists of the buildings which require reconstruction after demolition and those which require renovation/heavy repair be prepared. The former work will be carried out under HRDF by the Panchayati Raj department. The latter will be carried out at the district level for which DCs/JCs will arrange funds either from O.C Planning or from some other relevant programme. This programme can be carried out under a time-frame to be worked out on the basis of availability of funds and logistics of carrying out the work.
- G:) That the standard layout/design of Civil Veterinary Dispensary/Hospital be prepared by the Panchayat Raj Department in consultation with the Director, Animal Husbandry & Dairying department.

In future, this policy may be followed meticulously and there should be no deviation over and above it.
