Animal Husbandry & Dairying,  
Pashudhan Bhawan, Sector-2, Panchkula.

To

The Principal Secretary to Govt. Haryana,  
Animal Husbandry & Dairying Department, Chandigarh.

**Subject: Scheme for the conservation and development of indigenous cattle  
(Gausamvardhan) 2015-16.**

Memo

It is a new scheme and in principle stands approved by the Govt in the State Plan Budget for the year 2015-16. An amount of Rs.100.00 lac is earmarked for this scheme out of the total State Plan outlay of Rs.17450.00 lac.

As per 2012 census, the State has livestock population of 89.98 lakh out of which 18.08 lakhs is cattle. Out of total cattle population, 8.12 lakhs are indigenous cattle and 9.96 lakhs are exotic/cross bred cattle.

Lack of concerted efforts towards genetic improvement of the indigenous cattle breeds have contributed to their gradual decline. The population of indigenous cattle has reached an all time low and urgent measures are required for conservation and development of these indigenous breeds. Being the home tract, the State is under moral, social and national obligation to undertake integrated development of Hariana and Sahiwal breed of cattle.

This scheme has been included in the Annual Plan 2015-16 with an objective of conservation and development of the indigenous cows. The potential to enhance the productivity of the Indigenous breeds of cattle through professional management and appropriate nutrition is immense. For this, it is essential to promote conservation and development of indigenous breeds. Livestock Sector has an important role in the integrated farming system particularly for the small as well as land less farmers in the State of Haryana. It has great potential for further growth of national economy provided it gets much needed policy support including emphasis on genetic resource conservation, improvement of valuable indigenous breeds, their health, nutrition etc.

In spite of having quality genetic resources, the productivity of indigenous cows in the State has not increased up-to the desired level, mainly because of indiscriminate breeding, lack of record keeping, poor managerial conditions and unscientific feeding practices.

Under this scheme the initial approach would include screening of the base population for their peak yield for identification of Hariana and Sahiwal cows (and their progeny) yielding more than 6 Kg. and 10 Kg. of milk respectively.

**The detail of the proposed scheme is as under: -**

1. All the Haryana and Sahiwal cows, meeting the bench mark of 6 kg peak yield and 10 kg peak yield respectively would be properly identified (with ear tags) along with their progeny. Cash incentives ranging from Rs. 10,000/- to Rs. 20,000/- would be given to owners of these cows. All identified cows will be got insured. Insurance of these animals will be done at the spot and insurance premium will be borne as per the prevailing insurance scheme or in the absence of which 100% insurance premium will be met out of this scheme in case of SC beneficiaries and 50% in the case of general beneficiaries.

2. Under the scheme, the Haryana and Sahiwal cows, meeting the bench mark of 6 kg peak yield and 10 kg peak yield respectively will be recorded. The recording of milk production would be done in a Public Institution (in full public view) following a prior notice by a committee consisting of:

- (i) Deputy Director (AH)/ Sub Divisional Officer(A.H)/Semen Bank Officer
- (ii) Area Veterinary Surgeon
- (iii) Representative of Local Bodies i.e. Panchayat/Municipal Committee

Only the animals possessing true breed characteristics will be allowed to participate in the performance recordings. Milk production shall be recorded for four consecutive timings (Morning and Evening) and an average of the last three milking would be counted for calculation of the peak yield. The first recording would be treated as "Emptying milk yield". After the initial screening and recording by the committee, monthly recordings of milk yield would be undertaken to obtain more reliable assessment of lactation yield by milk recorder / Para staff and recording would be closely watched and supervised by Veterinary Surgeon and other officers of the department.

Immediately after the performance recording (4<sup>th</sup> milking) in a Public institution, the cows meeting the minimum production bench mark and their accompanying progeny (suckling calves) would be identified through ear tagging and a proper record would be maintained by the concerned Veterinary Hospital.

3. Cash incentive at the following rates is proposed to be given to the owners of the recorded cows:-

**i). Haryana Cows**

<b>Peak Yield in Kg</b>	<b>Incentive Money (Rs.)</b>
(6 to 8 Kg)	Rs. 10,000/-
(>8 to 10 Kg)	Rs. 15,000/-
(Above 10 Kg)	Rs. 20000/-

**ii). Sahiwal Cows**

<b>Peak Yield in Kg</b>	<b>Incentive Money (Rs.)</b>
(10 to 12 Kg)	Rs. 10,000/-
(>12to15Kg)	Rs. 15,000/-
(Above 15 Kg)	Rs. 20,000/-

## Publicity of the scheme

This being a new scheme an extensive publicity is required to popularise it. A wide publicity of this scheme is to be made for which a minimum sum of Rs. 10,000/- per district totalling to Rs. 2.10 lac and Rs. 10.00 lac for headquarter is proposed for the year 2015-16 under the scheme.

During the year 2015-16, there is a target to identify 1,000 top quality Haryana and Sahiwal to achieve this target, the outsourcing of one jeep on monthly basis for each district would be done to provide mobility to the staff. An outlay of Rs. 100.00 lac is provided in the scheme to implement this scheme in the year 2015-16.

The expenditure involved shall be debited to the budget grant under head:-

**2403 - Animal Husbandry**  
**102 - Cattle & Buffalo Development**  
**(66) - Scheme for Conservation and Development of Indigenous Cattle**  
**(Plan) 2015-16.**

Director General, Animal Husbandry & Dairying Haryana, Panchkula will be the over all controlling and Drawing & Disbursing Officer of the scheme. Besides this, the Dy. Director Intensive Cattle Development Project, Ambala, Kamal, Kurukshetra, Bhiwani, Sirsa, Jind, Gurgaon and Deputy Director, Animal Husbandry & Dairying, Fatehabad, Faridabad, Hisar, Jhajjar, Kaithal, Narnaul, Panchkula, Palwal, Panipat, Rewari, Yamunanagar, Rohtak, Sonapat and Mewat at Nuh will be the Drawing & Disbursing officers of the scheme. The administrative & financial sanction of the scheme for the year 2015-16 is required for implementation, please.

Sub Divisional Officer  
for Director General, Animal Husbandry & Dairying, Haryana.  
Haryana, Panchkula.
