HARYANA GOVERNMENT

ANIMAL HUSBANDRY AND DAIRYING DEPARTMENT

Notification

The 20th December, 2013

No. 1865-AI 1-4-2013/15591.—The Governor of Haryana is pleased to notify the scheme of "Mukhya Mantri Gramin Dudharu Pashudhan Suraksha Yojna". This new scheme would be implemented as an economic security measure to all the farmers of the State rearing milch animals and goats. The Livestock Insurance Scheme sponsored by GOI will continue as per guidelines of the Government of India. Any farmer who opts to get his milch animal insured by contributing his 50% share of insurance premium will be provided the facility of livestock insurance as per guidelines of GOI. The resource poor farmers including goats owners who either don't participate or are reluctant due to financial constraints, their milch animals would be covered under this scheme.

Sum Assured:- The different species of milch animals qualifying the laid down conditions viz yielding average 7.5 kg milk per days (150 kg per lactation) and age not exceeding 10 years for cattle and 12 years for buffalo and all the registered goats in milk (minimum milk yield of 0.865 kg. per day) will be covered under the scheme. The proposed amount to be paid species wise will be as under:-

Sr. No.	Species	Lactation yield	Proposed sum-assured
	Exotic Cattle	(i) 1500 Kg & < 2000	Rs 30,000/-
		(ii) 2000 Kg & above	Rs 40,000/-
2	Indigenous cattle	(i) 1500 Kg & < 2000	Rs 20,000/-
		(ii) 2000 Kg & above	Rs 30,000/-
	Buffalo	(i) 1500 Kg & < 2000	Rs 40,000/-
		(ii) 2000 Kg & above	Rs 50,000/-
4	Goats	In milk - 0.865 Kg. per day	Rs. 3000/-

The Farmers are not required to pay any insurance premium and all the eligible animals will be treated as insured by the State Government free of cost.

Registration of animals in milk:- There is a provision of payment against mortality and all the animals in milk or the State are covered under the scheme. The pre requisite for considering the case under the scheme is that the owner of the 'animal in milk' will get his animal registered with the Veterinary Surgeon of his area with registration fees of Rs. 100/- per animal on annual basis. The concerned Veterinary Surgeon will register, tag and take the digital photograph of the animal with owner for his record. The animals which qualify the laid down conditions of coverage under the scheme will be registered at concerned Government Veterinary Hospital. The registration fee so collected will be deposited in the account of the Haryana Livestock Development Board along with detailed list of the animals registered on monthly basis. A proper record of such animals of the area/jurisdiction of the hospital will be maintained by the concerned Veterinary Surgeon in a separate register. The registration fees will be utilized by the board as implementing expenses of the scheme.

There are 2.21 lac goats in milk in the State of the age of 1 year and above. The average milk yield of the goat as per sample survey report is 0.865 kg. per day. Being milch animals/poorman's cow, these would also be covered under the 'Mukhya Mantri Gramin Dudharu Pashudhan Suraksha Yojna' subject to the condition of the registration with the Veterinary Surgeon or the area concerned Hospital. The goats in milk will be tagged, digitalized photographed with owner and registration fees @ Rs. 25/- per goat will be payable at the time of registration. The registered goats duly tagged will be covered and in the case of death of the animal, an amount of Rs. 3000/- each would be paid to the owner. The General exclusions pertaining to the registered goats would be malicious/wilful injury resulting into death, accidents, intentional slaughter, theft or clandestine sale or injured animal, electric current deaths, animals

insured under other programmes and in case of any other unlawful cause of death. The claim settlement procedure would be as in case of Callie and buffalo.

Conditions not covered under the scheme : The Haryana Live Stock Development Board would cater the service of providing mortality risk cover of all the registered milch animals of the farmers (Yielding milk 7.5 Kg. and above per day and age not exceeding 10 years in cattle & 12 years in buffaloes) and all the goats in milk. The following ailments will not be covered under this scheme:-

- (i) Theft.
- (ii) Death due to electric current
- (iii) Death as a result of intentional poisoning of animal
- (iv) Unattended/uncared deaths due to negligence of the owners.
- (v) Death in natural calamities.
- (vi) Milch animals already insured with other insurance companies.
- (vii) Death within 15 days of registration (To avoid registration of ailing animals).

Claim settlement Committees:- Every district will have a District Claim Settlement Committee comprising of the following members:-

- (i) Additional Deputy Commissioner of respective district Chairperson.
- (ii) Deputy Director (AH&D) of the district - Member Secretary.
- (iii) Sub Divisional Officer (AH) concerned - Member.
- (iv) Veterinary Surgeon of the area - Member.
- (v) Village Sarpanch or any other member of the Panchayats- Member.

To implement this scheme '**Mukhya Mantri Gramin Dudharu Pashudhan Suraksha Yojna**' of the State, there would be a requirement of Rs. 20.00 crores annually which may be shared under the ongoing schemes of the department as under:-

Grant to Board (Non Plan Scheme)– 12.00 crores

- | | |
|----------------------|---------------|
| (i) Plan SCSP Scheme | - 4.00 crores |
| (ii) HLDB share | - 4.00 crores |

The sharing of release of funds under above three heads will be in the ratio of 3: 1: 1 and at the end of the year if there is any saving, the same will be carried forward to be used during the next year and the savings will be counted towards the releases of the next year under different heads where as excess requirement of funds during the year will be met by the board and in the subsequent year, board will make excess demand as per sharing pattern.

The scheme "Mukhya Mantri Gramin Dudharu Pashudhan Suraksha Yojna" shall be implemented as per following conditions:-

1. The Scheme will be effective w.e.f. 01.01.2014.
2. The Scheme will be implemented through Haryana Livestock Development Board (HLDB).
3. Registration of the milch animals would be mandatory with the Veterinary Surgeon of area hospital. The owner of the milch animal will get his milch animal registered with the Registration Authority i.e. Veterinary Surgeon of his area" hospital.
4. The Registration Authority i.e. concerned Veterinary Surgeon will submit the details of the registered milch animals to the Deputy Director of Animal Husbandry of the District, Head of the Department and HLDB and other concerned officers of the Department for maintaining their record.

J

5. As approved by the Chief Minister, the registration fee of Rs. 100/- for Cattle or Buffalo and Rs. 25/- for Goat will be charged from the owner. The registration fee will be deposited in the account of the IILDB and the funds will be utilized by the Board as overhead expenses for implementation of the Scheme.
6. Only registered milch animal *i.e.* Cattle, Buffalo and Goats will be covered under this new Scheme as per criteria fixed by the department in the detailed Guidelines.
7. Age criteria of milch animals *i.e.* Cattle not beyond the age of 10 years, Buffalo not beyond the age of 12 years and Goats not below the age of 1 year.
8. Parameters of payments on mortality:
 - (i) Cattle/buffalo yielding 7.5 Kg per day and more milk will be covered.
 - (ii) Goat 0.86 kg per day and above will be covered.
9. The department would constitute a Claim Settlement Committee at District Level under the chairmanship of Deputy Commissioner.
10. The Scheme will run in parallel to the scheme already run by Government of India.
11. The owner of milch animals will submit his claim before the Registration Authority with documentary proof.
12. In case the registered milch animals are sold by the owner to another person, a provision for transfer of registration etc. may be made in the Guidelines.
13. For effective implementation of the scheme, Department will issue detailed Guidelines and Strategy in this regard.
14. The Department will fix the time limit for settlement of claim of the owner on mortality of registered milch animals.
15. The funds provided by the State Government under this scheme will only be utilized for making the payment against mortality of the animals in milk as recommended by the Claim Settlement Committee.
16. In case any milch animals are insured under any other Insurance Scheme of the Animal Husbandry Department then the owner of milch animal will not be covered under this new Scheme.

Handwritten :
The 19th December, 2013.

DR. AVTAR SINGH,
Principal Secretary to Government Haryana,
Animal Husbandry & Dairying Department.
