Subject: Providing Animal Feed and fodder for livestock and Poultry in the State of Haryana - reg.

Dear Sir,

Kindly refer to the subject cited above. In this context, it is brought to your knowledge that due to the lockdown situation, feed ingredients of livestock and poultry are not being received by feed mills for preparation of compound feeds for poultry and livestock in the state of Haryana. Hence, there are chances of huge mortality of poultry and farm animals (cows, buffaloes, pigs etc.) in the state.

Further, in this regard Govt. of India vide their D.O. letter No. 40-3/2020-DM-I(A) dated 26th March, 2020 has also clarified and included feed ingredients of poultry & livestock, live chicks, eggs, meat etc. in the list of essential commodities and to be exempted from the lock down situation and has allowed the inter and intra state transportation of the same (copy enclosed).

In view of above, you are requested to kindly disseminate the above clarifications and request to the concerned field agencies of your state so as to ensure transportation and movement of animal and poultry feed and fodder to Haryana from your State during the lock down period.

An early action in this regard will be highly appreciated.

Enclosure as above
