Subject: - Scheme for Providing Employment Opportunities to Scheduled Castes for the year 2019-20 (N).

Memo

Kindly refer to the subject cited above. The Scheme has been sent to Government for approval for the year 2019-20 vide this officer letter No. 5177 P-6 dated 15.05.2019. The Government has accorded Administrative Approval-Cum-Financial Sanction for this Scheme except Sheep & Goat units vide their letter No. 3140(CFMS)-AH-4-2019/5715 dated 27.05.2019 to be implemented in the State for the year 2019-20. The detail description of the Scheme is as under:-

Brief Background

Haryana holds a significant place in milk production in the country. With annual milk production of 98.09 lakh tonnes, the per capita per day availability of the milk in the State is 1005 grams which is second highest in the country.

Animal Husbandry is an integral part of agriculture along with a major contributor of Agricultural Gross Domestic Product (GDP) and endowed with a high potential of self employment opportunities. In present scenario, when growth rate in crop production is stagnating, it is the animal husbandry sector which holds promise for achieving higher growth rates in State Gross Domestic Product as well as providing employment to the unemployed. There exists a vast potential of self-employment generation in animal husbandry and dairying sector. The establishment of dairy and piggery units can generate substantial employment (Direct or Indirect). There is well-knit infrastructure of veterinary institutions catering to the needs of the livestock owners for providing veterinary and breeding services in the State. Further, self-sufficiency in fodder production, available human resources and vicinity of National Capital Region having ample marketing opportunities makes animal husbandry activities an attractive option for self employment to the unemployed in the State.

With a primary objective of providing self employment opportunities, the unemployed persons would be assisted by way of establishing Dairy and Piggery units. The pattern of assistance would be in the form of subsidy on the purchase of
livestock. Further assistance would also be provided for insurance of the dairy animals.

According to the livestock census 2012, about 22.27 lac families are rearing one or other type of livestock in the State out of which 8.86 lacs are Scheduled Caste families who are generally resource poor. Occupation wise, out of total 8.86 lacs Scheduled Caste families, 44% exclusively depends on Animal Husbandry and Agriculture and 56% on other sectors including service sectors. Out of total livestock in the State, Scheduled Caste families possess 23% of the livestock although of low genetic merit. Scheduled Caste families contribute substantively in the Animal Husbandry sector and it is the major occupation of these families.

**The trend of rearing of livestock species by Scheduled Caste families in the State as per livestock census 2012 is given in the following table**

<table>
<thead>
<tr>
<th></th>
<th>Total (in lac no.)</th>
<th>Owned by SCs (in lac no.)</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Bovine</td>

<td>82.50</td>
</tr>
<tr>
<td>Total</td>
<td>87.52</td>
<td>20.78</td>
<td>23.65</td>
</tr>
</tbody>
</table>

The above table shows that out of the total livestock population, 60 to 80% of Sheep, Goat and Pig are reared by Scheduled Caste families whereas only 16% milch animals are being reared by them.

Under the Special Component Plan Schemes, which would provide direct benefit to the Scheduled Castes families, livestock units would be established for providing self-employment to these families. There is a target to establish 2300 Dairy and 60 Piggery units during the year 2019-20.

**Long term objectives of the Scheme**

- To Create self-employment opportunities for the Scheduled Castes families through animal husbandry activities
- To increase in milk and meat production and overall productivity of livestock
- To up-graduate and develop valuable breeds/germplasm available in the State
- To encourage clean milk production

**Medium term objectives of the Scheme (5 years Horizon)**

- To provide gainful self-employment to the unemployed men/women of Scheduled Castes families
- To raise socio-economic status of Scheduled Castes families of Haryana and to provide socio-economic security to them.
- To increase per capita/ day availability of milk in the State by replacing poor quality animals with good quality animals gradually
- To supplement the income of the families of the weaker sections
Annual Objectives and Impact expected

The ongoing Special Component Plan Scheme has been included in the Annual Revenue budget for the year 2019-20 with the sole objective of providing self employment opportunities to the Scheduled Castes in the State. There is a target to set up 2500 livestock units as per detailed given below:-

<table>
<thead>
<tr>
<th>S. No.</th>

<th>Target</th>
</tr>
</thead>
<tbody>
<tr>

<td>No.</td>
<td>60</td>
</tr>
<tr>
<td>Total</td>
<td></td>
<td>No.</td>
<td>2360</td>
</tr>
</tbody>
</table>

A total of 2360 Mini Dairy and Piggery units would be established during the year 2019-20. So far as the expected impact is concerned, it will encourage the beneficiaries to setup Dairy and Piggery units which will boost up milk and meat production on one hand and generate gainful self employment opportunities in the animal husbandry sector on the other. The self employment to 2360 beneficiaries would be provided during the year 2019-20.

Financial Assistance in form of subsidy under the Scheme

Under the scheme, the Government will provide subsidy to the tune of 50% of the unit cost on the establishment of livestock unit after the purchase of livestock. The subsidy would be provided at the time of establishment of livestock unit. At the time of establishment of livestock units the assistance @ 50% of unit cost would be provided by the Government in form of subsidy, whereas the remaining part will be loan from the bank/financial institutions and/or the self-contribution, if available, with the beneficiary. The self-contribution towards this activity may also include already available cash, livestock, shed (applicable only for Piggery Unit) and labour component (applicable only for repair/construction of shed for Piggery Unit) the value/cost of which will be counted as the share of the Scheduled Caste family beneficiary. This subsidy would be provided in the bank account/loan account of the beneficiary.

After release of subsidy in the account of beneficiary the Deputy Director of the district would make necessary entries on SARAL portal.

Financial Assistance for Insurance under the Scheme

Assistance for insurance of the animals of the livestock unit would also be provided under the Scheme. The Insurance premium @ 100% would be borne for insurance of livestock for one year under this Scheme. If any Livestock Insurance Scheme is operational then the insurance of animals purchased for establishment of
unit is to be covered under that Scheme wherever permissible. However, if no Livestock Insurance Scheme is operational then the beneficiary would have to arrange for the insurance of the animals and the insurance premium paid by the beneficiary would be reimbursed to the beneficiary under this Scheme.

**Strategies**

The beneficiaries may avail marketing facility of milk being provided by Haryana Dairy Development Co-operative Federation. The beneficiaries may get 11 days training in Dairy and Piggery husbandry being provided by the Department at each Sub Division in the State. A total of 2360 Mini Dairy and Piggery units would be established during the year 2019-20 which will boost milk and meat production in the State and also provide gainful self employment opportunities to 2360 Scheduled Caste beneficiaries in the animal husbandry sector.

**Roll out of the Scheme in terms of Commencement of Activities**

The department would assist the beneficiaries in establishing these units in the following ways:-

i. Imparting 11 days dairy and piggery husbandry trainings at the concerned Sub Division / Government Veterinary Hospital in the State to the desirous persons for establishment of livestock units

ii. Sponsoring of loan applications to banks/financial institutions

iii. Providing veterinary and breeding facilities

iv. Linkage with cooperatives for marketing of milk through HDDCF if the beneficiary desire to market milk produced from dairy unit through Federation

**Process of submission of on-line application by the applicant**

Any un-employed person desirous of establishing Dairy and Piggery units under the scheme would have to apply online on the SARAL Portal: [http://saralharyana.gov.in](http://saralharyana.gov.in) from the month of June to December or as per directions given by the Government. While inviting application online endeavour would be made that applicants from each area of the State can apply for establishment of Dairy and Piggery units. The applicant may submit application himself on the portal or through Common Service Centres, Antodaya Kendra, Atal Sewa Kendra, e-disha Centres or any other such centre as provided by the Government from time to time. The applicants shall also be required to upload scanned copy of following documents during submission of their online applications-

i. Voter ID Card/ Driving Licence/Ration Card (any one of these)

ii. Scheduled Caste Certificate

iii. Aadhar Card

iv. Bank Pass Book

v. PAN Card

vi. Cancelled Bank Cheque

vii. No Objection Certificate (NOC) from the concerned Service area Bank (If require financial assistance from Bank/Financial Institution)
Types/Sizes of Livestock Units to be established under the Scheme

Under the Scheme following types of Dairy Units would be established-

i. Mini Dairy units of 2 or 3 Milch Animals
ii. Piggery units (5 Sows and 1 Boar)

Any applicant who has earlier availed benefit under any Departmental Scheme for establishment of livestock unit would not be eligible for availing benefit under the Scheme.

Eligibility conditions for an Applicant

The Scheduled Caste applicant should be of 18 to 55 years of age, a resident of Haryana and must be unemployed (employment even in private sector would bar an applicant from availing assistance under the Scheme). There would be no mandatory educational qualifications or training requirements for availing assistance under the Scheme. Any group/firm/organization would not be permitted to apply under the Scheme, as the Scheme being an individual beneficiary oriented.

The applicant would have to submit a Self-Declaration on portal for being unemployed and for undertaking to abide by other conditions as required under the Scheme.

Selection of beneficiaries and sponsoring the case to Banks for sanction of loan

Once the applicant has applied online on SARAL portal the application would stand submitted to the Deputy Directors of concerned districts who would thoroughly examine the applications received on portal and if found not in order the same would be rejected with the comments on portal. However, if application is found in order then accepted and forward to the concerned Sub Divisional Officers with in a period of 15 days, who will again thoroughly examine and verify, if not found in order will return to the Deputy Director with comments on portal and if application found in order the application along with documents which clearly indicate the approximate amount of loan required by the applicant would be sent to the concerned service provider area bank with in a period of 15 days in format annexed as Annexure-I.

Purchase of Livestock unit through Purchase Committee

In case the Scheduled Caste applicant is not in a position to make required self-contribution for establishing livestock unit of choice, then necessary funds will be arranged as loan wholly or partially depending upon the requirement of the beneficiary from the banks/financial institutions. After receiving the Sanction/Rejection of loan from the bank/financing institution, the Sub Divisional Officer (Animal Husbandry) of concerned Sub Division will upload the sanction/rejection document received from different banks on first come first serve
basis and forward to the Deputy Director for approval regarding purchase of units. The Deputy Director will allow to establish the unit on first cum first serve basis subject to target/budget allotted from the Government for the scheme within a week. After getting approval of purchase from Deputy Director the concerned Sub Divisional Officer will intimate the purchase date and venue for purchase of livestock unit in format annexed as Annexure-II to the purchase committee as well as to the applicant. Keeping in view the convenience of the beneficiaries, the venue of purchase of animals would be decided by the Sub Divisional Officer in consultation with concerned Veterinary Surgeon and it would be either the nearest Government Veterinary Institution or any other nearest Government Institution. The Purchase Committee would have following Members and presence of all the members would be mandatory at the time of purchase of livestock unit-

i. Sub Divisional Officer (Animal Husbandry) (Chairman)
ii. Veterinary Surgeon, Govt. Vety. Hospital (Member)
iii. Representative of financing bank (Member)
iv. Representative of Insurance Company (Member)

Veterinary Surgeon of the area will issue Health Certificate cum purchase receipt, as per the format annexed as Annexure-III in presence of Purchase Committee and duly certified by the purchase committee. The approximate daily milk yield and cost of milch animal would be compulsorily recorded in the Health Certificate alongwith other details. The concerned Veterinary Livestock Development Assistant shall be responsible for Ear-tagging of animals, assisting the beneficiary in arrangement of insurance of animals through insurance company and for maintaining complete records of units established under the scheme. The Chairman of the Purchase Committee i.e. Sub Divisional Officer (Animal Husbandry) would be responsible for insurance of the animals purchased. If any Insurance Company has been empanelled by the Department/Haryana Livestock development Board for Livestock Insurance than the insurance of the animals purchased would be done by the same Insurance Company. However, in absence of any empanelled Insurance Company, the Sub Divisional Officer (Animal Husbandry) would be responsible for arranging insurance of animals from any Public Sector General Insurance Company in consultation with financing bank.

At the time of purchase of animals the Chairman of the Purchase Committee i.e. Sub Divisional Officer would be responsible for collection of all necessary documents like Health Certificates cum receipt, Insurance Cover Note/Policy etc. The Sub Divisional Officer will send one copy of the documents to financing banks requesting disbursement of loan to the beneficiary and also upload all the documents on the SARAL portal for onward transmission to the concerned
Deputy Director to initiate the process for release of subsidy and insurance incentive as per scheme.

**Single/Two time purchase of animals**

The purchase of all animals required for establishment of piggery unit may be effected at one time, however, in case of Dairy Unit if the beneficiary want to purchase milch animals in two phases in that case milch animals may be purchased in two purchases i.e. First purchase and the Second purchase. Further if the milch animals are being purchased in two phases, then second purchase have to be effected within one year from the date of first purchase, preferably in same financial year.

In case of Piggery units the purchase would be effected strictly at one time and no two time purchases would be allowed.

**Publicity of the Scheme**

Block Level Extension Officer (B.L.E.O.) shall be responsible for wider publicity of the Scheme in the concerned block. The B.L.E.O. shall identify and encourage interested unemployed Scheduled caste persons for applying under Scheme and also assisting them in online application submission on SARAL portal.

Veterinary Surgeon and Veterinary Livestock Development Assistant of the area will also be responsible for publicity of the Scheme in areas under their jurisdiction. The livestock owners would be provided information and encouraged during various Health Care Camps, Kisan Gosthis etc. for self employment by establishing livestock units. Publicity and Extension Branch at Headquarter would be responsible for wider publicity and extension of the Scheme through printing of pamphlets, booklets and through other extension materials.

**Cash flow Requirement as per Roll out Plan**

For the establishment of a livestock unit the department would sponsor loan applications to the banks/financial institutions. The bank/financial institutions would advance loan to the beneficiaries. The department would release subsidy amounting to 50% cost of livestock unit at the time of establishment of livestock unit. During the financial year pending liability of subsidy of previous years as well as financial assistance for insurance of animals for livestock units to be established during current year would also be met out under the Scheme.
1. Establishment of Two or Three (2 or 3) Milch Animal Dairy Units

The permissible limit of cost per animal for providing subsidy will be decided as follows-

Cost of milch animal has been fixed as per the recommendation of the Unit Cost Committee of National Bank of Agriculture and Rural Development (NABARD). The cost of animal as determined by Veterinary Surgeon may be lower depending upon age, number of lactation, breed characteristics etc. and the assistance as interest subvention would be provided on this lower cost. However, the maximum permissible cost for grant of assistance as interest subvention would not exceed the cost indicated against various milk yields in the table mentioned above.

**Note:** Indigenous breeds of cows will include all indigenous breeds such as Red Sindhi, Tharparkar and Gir etc. and these will be treated at par with Sahiwal cow in terms of price etc. 

**Note:** In case a beneficiary buys an OFFICIALLY Recorded animal of the highest yield category then its unit price would be allowed to be increased by Rs. 10000/- e.g. if Sahiwal cow gives more than 15 litre then its value will be fixed at Rs. 93000/- instead of Rs. 83000/- and a recorded Murrah buffaloes giving more than 15 litre then its value will be fixed at Rs 98000/- instead of Rs 88000/-.

2. Establishment of Piggery Units
