No. From
A.H.-4/ASF Director General
Animal Husbandry and Dairying, Haryana
Panchkula

To
Deputy Director,
Intensive Cattle Development Project,
Ambala.

Subject: Control and Containment of African swine fever in Ambala district.
Memo:

To control and contain the disease in your jurisdiction, you are directed to take appropriate actions in co-ordination with the district administration as required under the National Action Plan, including, but not limited to the following actions:

1. Declaration of Infected Zone, Surveillance Zone and Free Zones.
2. Strict restriction on movement of swine within, from and to affected areas, ban on sale of Pig and pig products, closure of shops selling pork or pig products
4. Stamping out of pigs in infected zones and those having direct or epidemiological linkage with infected pigs/premises.
5. Appropriate disposal of the dead pigs by deep burial / incineration.
6. Appropriate disposal of litter and effective sterilization of garbage.
7. Management and control of soft ticks and their habitat.
8. Setup of control room manned with responsible staff at district Headquarters.
9. Keeping the district administration and counterparts in the health and forest department informed of the situation, all the times.
10. Collection and dispatch of samples to GADVASU, Ludhiana / NIHSAD, Bhopal through special messenger, wherever required.
11. Issuance of advisories to Pig farmers to strengthen the biosecurity measures at their farm to prevent spread of disease, taking due care to avoid panic and spread of rumours among the farmers and the general public.

HARYANA GOVERNMENT
ANIMAL HUSBANDRY & DAIRYING DEPARTMENT
Notification
The 21st September, 2022

THE PREVENTION AND CONTROL OF INFECTIOUS AND CONTAGIOUS DISEASES IN ANIMALS ACT, 2009

No. 5204(CFMS)-AH-4-2022/44

In exercise of the powers conferred by Sub-section (1) of Section 6 read with Sub-section (1) and (2) of Section 7 of "The Prevention and Control of Infectious and Contagious Diseases in Animals Act, 2009 (27 of 2009)", the Government of Haryana, hereby declares the District Ambala as "controlled area" for restriction of movement of swine species within or outside the district and bordering States to prevent, control and contain the African Swine Fever (ASF). All Pig movement upon declaration of infected premises for the last 30 days should be traced back in order to identify the contaminated premises.

No swine species shall be move from the above described area to other places.

PANKAJ YADAV, IAS
Commissioner & Secretary to Government Haryana,
Animal Husbandry & Dairying Department.
